PFA GRANT INFORMATION 2017-18

TO: Department heads, faculty advisors, and staff

FROM: WHS PFA Grants Team

DATE: September 2017

Each year the WHS Parent Faculty Association is pleased to offer supplementary financial assistance to departments, clubs and organizations. Last year, through family contributions to the PFA, we raised and distributed over $18,000, funding nineteen grants.

Any requests for technology will be reviewed with the District to ensure that the technology is consistent with District policy and goals and to ensure equity across the District.

If your program has a need or you have a project that requires financial assistance, please fill out the request form below and place it in the PFA mailbox in the main office or email to whspfagrants@gmail.com by Tuesday, October 10. Grants may also be submitted via Google Forms at https://goo.gl/forms/TX8Qner1o6X3Tp5N2.

Priority will be given to requests submitted on time. After reviewing all requests with PFA board members and WHS administrators, a proposed slate of grants will be presented for approval by the membership. If you have questions, please contact Karin Sangster or Maura Sullivan at whspfagrants@gmail.com.
