PUBLIC SCHOOLS

## WPS TEST & STAY PROGRAM

The Winchester Public Schools (WPS) is implementing a COVID-19 testing program in coordination with the Department of Elementary & Secondary Education (DESE). The main goal of this program is to provide an extra layer of protection in preventing the spread of COVID-19. We strongly encourage participation as a way to help keep our students healthy and in school throughout the year.

This program has 2 components, which you can find at the links below:

**Test and Stay** for students who have been exposed while in school but are not showing symptoms.

**COVID-19 safety checks**: Weekly surveillance testing of asymptomatic students and staff

## Why should students and staff participate?

- It will help minimize the spread of COVID-19 and keep our students in school
- The more students who participate, the more our community will be protected
- All tests are non-invasive, short nasal swabs or saliva samples
- There is no cost to you

***\*\*Only one consent form is needed to participate in these testing programs\*\****

**[Click here to register](#)**

## Test & Stay Rollout

You will be contacted directly if your child qualifies for this program.
