**Arts aplenty, and athletics
As students pen CVs
And the newsletter unveils the masked staffers
And forever, we’re together
Through the toughest of times
And we make sure that all of this rhymes!**

**WHS (WHS), is the best (is the best)
Community is so special
Our School’s (Our School’s), super cool (super cool)
Thank you for holiday cheer!**

We have been receiving really great feedback with our Newsletter this year and we want to THANK YOU for your kind words and support! Especially during these challenging times we want everyone to feel connected – we are a wonderful community and it’s so important to be reminded that through tough times we come together and are resilient. Our students and faculty show that everyday—please continue to send us updates we can share—it truly is so uplifting!

Again, we are so proud of our students-- please read below for more details of their accomplishments --Olympiad (1st Place--way to go!) , Athletes (recognized on so many levels!) and our Singers (helping bring joy and hope to so many with their beautiful voices!). Keep up the great work!

The Winchester Coalition for a Safer Community would like to share this new Social Host Liability video with you. As we enter the holidays in such stressful times, it would be easy to look the other way and allow our teens to participate in risky activities that could prove to be harmful and dangerous.

Our message is one of concern and not judgment. We hope you can take a few minutes to watch, listen, and learn about the hazards of allowing underage drinking.

Winchester Coalition For a Safer Community

Winchester friends, do you know what INTERFACE is?
INTERFACE Mental Health Referral Helpline is about to mark its one year anniversary in Winchester! In January 2020 the Winchester Coalition for a Safer Community brought INTERFACE to town to help connect Winchester residents with mental health resources.

It is a **FREE** and **CONFIDENTIAL** service which will match your need, insurance, schedule, and location and connect you with a mental health professional.

The Covid-19 pandemic has caused many of us to experience isolation, frustration, and concern because we do not know what will happen tomorrow. As we approach the holiday season, many of these feelings may be heightened. You may be concerned about a loved

one, a neighbor, a friend or yourself. The Coalition wants to let you know that you are not alone. We encourage you to take advantage of this service.

Please take the next step, make the call, and know that there is help on the other end of the line.

INTERFACE HELPLINE 888-244-6843 is now available to Winchester residents and students.

The Helpline is available from **Monday through Friday from 9 AM - 5 PM.**

[Review the William James College Interface website](#) for mental health resource and additional information on the helpline.
