PRESIDENT'S NOTE

Welcome back from February break, fellow WHS Families, Staff, Alums and Friends! We hope you had a great week off 😊

Just before vacation, our wonderful WHS Social Committee members were creative cupids, spreading love all over the WHS office for our teachers and staff! With the very generous donations of sweets and raffles from our WHS families, our committee made adorable bags filled with chocolates, delicious heart-shaped cookies, and tied them all together with Valentine ribbons! To make the holiday even more fun and memorable, teachers and staff were surprised with raffles throughout the day! A HUGE THANK YOU to our super social team **Danielle Adams, Deb DePeter, Kerry Curran, Becky Tellefsen, Bettina Parks** and for all those who kindly donated items to make this happen!

Here are just a few notes of thanks we received from teachers and staff:

"You've done it again! Thank you so much for the sweet treats and kind

messages that you left for all of us in the main office. Through all of the craziness with the weather and the spike in cases over the past few weeks, your respect, admiration and care goes a long way to lift our spirits and make us feel appreciated. Your support has been a vital lifeline throughout the year.”

“A big thank you as always for the Valentine's Day gift bags! I already ate the cookie... very good! Thanks again for all the PFA does to support the teachers and students. You go way above and beyond and we really do appreciate!”

“Thank you so much for taking the time and thought to bring cheer to our building. You flood the Main Office with love and sweets. And I am a happy raffle winner, eager to indulge in my scones on my new wooden heart! Your efforts are always appreciated, but they are especially meaningful in a time like this when educators are lambasted in the media. Your support helps insulate us from that.”

Back from break and in need some friendly reminders for what’s happening this week? We got you covered and summed up a great line up for you—scroll down for more details!

WHS IMPORTANT DATES - MARK YOUR CALENDAR

WED 3/10 - NO SCHOOL - Professional Day

WHS School Calendar

The Winchester School Committee approved the **monthly calendars** for February through June 2021

Winchester is planning and preparing for a full in-person return to school in the fall, and I thought you might find the approved **2021-2022 Calendar** useful for planning purposes.

“Starting the Conversation: College and Your Mental Health” Webinar

Monday, March 8, 7:00 – 8:30 p.m.

The webinar's panel of college administrators and a recent college graduate who experienced mental health challenges in college encourage transition age families to start conversations about mental health before students leave home. It is prudent to understand privacy laws, what can be communicated by college administrations, and that colleges differ in supports. Students, parents/guardians welcome. Presented by the National Alliance on Mental Illness (NAMI) Central Middlesex. Co-sponsored by the Acton-Boxborough United Way and the Mystic Valley Behavioral Health Coalition. Attendees must [register in advance](#) for this webinar.

Student Volunteer Opportunity

The Winchester Intergenerational (IG) Leadership Team is looking for high school students who want to get involved in developing fun, community based activities designed to bring together community members who span a wide range of ages. Building meaningful connections in our community will promote the well-being of everyone, and in the midst of the COVID pandemic, this is true now more than ever. Our group is one team within the IG Leadership Team, funded by a Cummings grant, and our focus is on Performing Arts and Entertainment as a way to foster interconnectedness. Due to social distancing restrictions, we are tabling many of our performing arts project ideas until we can safely bring people together in the same physical spaces or venues. In the meantime, we have a project in the works for this spring, involving the community showing of a movie related to sustainable, local farming, followed by discussions related to the successes and challenges involved. Our goal is to host follow up activities and discussions including members of local farms, organizations and/or Winchester family owned businesses who will share their experiences. We're in the early stages and are open to new ideas and directions. If you are interested in learning more about this opportunity, please contact us as soon as possible! Rebecca Watson dodge.rebecca@gmail.com or Melissa Jackson mjackson2@winchesterps.org

The Wish Project Drive

As we kick off 2021, we are once again going to be organizing a toiletry drive, including items such as deodorant, toothpaste, and many more.
