PRESIDENT'S NOTE

Hello Fellow WHS Families, Alum, Staff and Friends!
We hope you had a wonderful weekend! Valentine's Day is less than a week away and love is definitely in the air at WHS!
Although our kids are the ones in high school, sometimes it's helpful to remind ourselves of what it was like when we were in high school on Valentine's Day when the gossip, the crushes, the hormones sometimes took precedence over studies. . . what better way than to open the vault of classic 80s (and some 90s) teenage romantic songs to bring us back! We hope this simply brings a smile and a giggle to your day—and if you want to make a mix tape (or Spotify track list) for your honey with these songs, go for it! Oh, you needed a last-minute Valentine's Day gift? Problem solved! (You're welcome) **Click on song and get transported back to MTV!**

WHS IMPORTANT DATES - MARK YOUR CALENDAR

WHS School Calendar

The Winchester School Committee approved the **monthly calendars** for February through June 2021

Winchester is planning and preparing for a full in-person return to school in the fall, and I thought you might find the approved **2021-2022 Calendar** useful for planning purposes.

Carnation Time!

Student Council will still be offering carnations, but with a twist! Instead of delivering carnations during classes, we will be selling a carnation, ribbon, and card for **\$3** for you to fill out and hand-deliver to that special someone!

Head to tables in the cafeteria or the gym to buy them on **February 8th-9th** (AA Cohort) and **February 11th-12th** (BB Cohort)!

One Wish Project Drive

I'm hosting a toy drive for the One Wish Project during the months of **February and March**. The toys collected during this drive will be given as birthday gifts to homeless children living in the area.

I would love it if you could donate any unused/unopened toys for kids of any age. There will be a box to drop off toys in front of the main office.

If you would prefer to have your toys picked up at your home [please email me](#)

The Wish Project Drive

As we kick off 2021, we are once again going to be organizing a toiletry drive, including items such as deodorant, toothpaste, and many more. This drive is one organized for the [Wish Project](#), a lovely program that provides families in need with basic necessities. A collection bin will be placed outside the main office for any donations.

Thank you all for being so generous!

School Lunches

Did you know that the USDA has approves **FREE** breakfast and lunch for **ALL** students for schools on the National School Lunch Program and School Breakfast Program for the 20-21 school year!

This means that **ALL** students will have access to nutritious meals at **NO COST** to parents. Meals are approved to be served both **IN PERSON** and for **PICK UP**. Students attending school in person are eligible to pick up breakfast and lunch daily at **NO CHARGE** (1 breakfast and 1 lunch).

To be added to the list of pick up meals, please contact [Trina Scotti](#), foodservice general manager. Please include the number of students and which cohort they are in. You will then be sent a confirmation email with details on where and when to pick up meals.

Please note that ala carte or 2nd meal purchases will be charged to the student's lunch account.

SATs Update

As you may have heard, CollegeBoard is **discontinuing the SAT Subject Test** as well as the optional Essay portion of the SAT.

We recognize that some of our students have already signed up for these tests at WHS in March, May or June. All refunds/future notifications will be coming through CollegeBoard.

You can access this information on your CollegeBoard portal as well.

Bee-cause We Care....

WFEE has figured out a way to hold the Trivia Bee without resorting to a Zoom event but still "bee-ing" safe. This year we are doing a Bee in a Bag, a keepsake canvas tote bag full of everything you need to **hold the Bee at home**. The bag comes with three levels of trivia questions (answers included of course!), instructions on holding your Bee at home, snacks, goodies from our sponsors, a crown for your winner and more.

Bags can be [ordered here](#), members of the WFEE hive will deliver your bag to a Winchester address on **March 3rd**. Sign up **now** to make sure you are one of the **first 250 people** who are guaranteed the canvas bag.

The beauty of this Bee is you play when it works for you. Make it a family night or buy a bag for a friend then create your own socially distanced event. Best of all, why not upgrade your gift and have our fully costumed, very enthusiastic Bee, aka Mai Harrison, buzz by to deliver the bag in full Bee regalia.

The Bee in a Bag will help fund WFEE projects for the rest of this year. In the last month alone WFEE has created a virtual Authorfest involving 20 presenters at all of our schools. In addition, WFEE offered two weeks of free, online enrichment programming for our elementary students. More projects are coming, help us "bee" sure we can support them!

Registration is open for Kids' Corner's Summer Program!

Did you know that Kids' Corner offers multiple exciting, full day programs during the summer? We offer our beloved **Kids' Corner Summer Program (grades K-5)** and our adventurous **KC Xtreme** for middle school students **(completed grades 6-8)**.

Kids' Corner's Summer Program upholds the same safe, engaging, caring and values-driven environment, coupled with a fun-loving, learning-filled atmosphere that has been central to the Kids' Corner Out-of-School Time Program for over 30 years. We intend on having some fun, enriching experiences on site and we hope to relaunch our awesome field trips in 2021.
