## PRESIDENT'S NOTE

**Hope. Peace. Love.**

Happy Monday WHS Families, Staff, Alumni and Friends!

Our WHS and greater Winchester communities continue to be full of support and positivity in these stressful times. Last week's Community Vigil and Lantern Ceremony in support of Asian Americans was truly an event that will always be remembered. WHS Sophomore, Ayesha Ghosh, gave a [moving speech](#) that is a must read. Our school, town and state leaders spoke from the heart in solidarity. Alex Lee, a WHS Senior had his award winning [essay titled "Not American Yet"](#) published in the New York Times. Together our students and community are making change.

Our Winchester High School's H.E.A.R.T. (Honesty, Expression, Acceptance, Respect, and Teamwork, together) Choir has been working on a project and in light of recent events they thought now would be a good time to share. ["One Candle"](#) symbolizes peace and unity and together we hope that our country can move forward to heal. The WHS

H.E.A.R.T. Choir wishes that the message resonates with you, and urges you to help our community come together.

## Letter from the WPS Nurses

Spring is right around the corner and for many of us, with spring, comes allergy season. Prevention is key for being sent home for questionable COVID versus Allergy symptoms.

## WHS COVID-19 Pool Testing Sign-Up

Thank you to all those who have participated **free voluntary COVID-19 pooled testing program for students and staff at Winchester High School**. If you haven't done so already, we strongly encourage you/your student to sign up and get tested. Pooled testing is especially valuable as we gear up for a full return to school.

Only 20% of our in-person students are registered with less than ½ showing up to get tested. We can do better than that WHS!

There are **incentives** for the first students that arrive each testing morning, plus a chance to win a **\$10 gift card**. We have a great team of volunteers to help guide students through the steps.

Testing is hygienic, painless and takes **less than 2 minutes!**

**All of our pooled COVID-19 tests have been negative so far** and the turnaround time of the results has been faster than expected. No appointment needed. Students can participate every week.

Pooled testing will be available all day on **Tuesday and Thursday**. You can drop by the Medical Waiting Room, **Room A116**, between classes, during an open period, lunch, or after school to get tested - but you may not come during class.

**COHORT A - TUESDAY MARCH 30th** (for students and staff)  
**COHORT B - THURSDAY APRIL 1st** (students only)

**8:30-9:15 AM** in the gym, enter through the gym doors, #8

**10:00 AM - 3:30 PM** in the Medical Waiting Room A116, around the corner from the Family and Consumer Science classrooms

Remember no appointment needed but you need to be registered. It is not too late to [REGISTER HERE](#). Testing only takes 3 minutes from start to finish and participants are encouraged to test every week to make this effort most effective. Parents/Guardians: Create an account. From there, create one profile for each of your Under 18 students. Over 18? Create your account and profile.

Still not sure if you should participate or have questions? Join us **Monday March 29th** [via Zoom](#) at **7 PM** for an informal Q&A on COVID-19 Testing and the WHS pooled testing pilot.

Open to parents and students  
Meeting ID: 925 3047 6602  
Passcode: 152590

## WHS ARTS, MUSIC & THEATER

### WHS CHOIR

Our Winchester High School's H.E.A.R.T. (Honesty, Expression, Acceptance, Respect, and Teamwork, together) Choir has been working on a project for some time now, and in light of recent events we thought now would be a good time to share.

We have produced our very first virtual piece titled “**One Candle**” by Andy Beck with lyrics by Brian Fisher and Andy Beck. “One Candle” sends the message that in hard times, we must come together to find our way.

We remember all those who have been adversely affected by Covid-19, as well as the victims in Georgia and Colorado. We stand in solidarity with the Asian community in Winchester and beyond, and we call for everyone to do their part in treating others as equal. We stand up to stop hate.

“**One Candle**’ symbolizes peace and unity and together we hope that our country can move forward to heal.

The **WHS H.E.A.R.T. Choir** wishes that the message resonates with you, and urges you to help our community come together.
