PRESIDENT'S NOTE

Each Senior received a WHS Senior Boo Flier with their treat- there was an old school ghost version too!

The special Boos from the Freshmen, Sophomores & Juniors came in all shapes and sizes but all carried the same Halloween and school spirit to surprise, brighten, and delight the night for our Seniors!

A super surprised Senior getting BOOed!

Dear Fellow WHS Families,

Snow!? That's New England weather for you! The geraniums planted in front of WHS are still blooming and look beautiful coated in white! Thanks Mahoney's Garden Center, moms who planted with love and hope and for those who helped water them throughout the summer! Many hands make light work and a difference!

EVERY WHS Senior was BOO'ED for Halloween (all 376 of them)! Thank you to all of underclassmen and families who made it happen! You made memories that will not be forgotten. Don't worry if you didn't participate, there will be more fun opportunities to help make this year feel special! Stay tuned!

Fall is still a crazy busy time of year! Congratulations to all of the seniors who submitted their Early Decision and Early Action college applications by midnight last night! That is no small accomplishment! Speaking of accomplishments, congratulations to Owen Egan for getting a Hole-In-One! Owen's amazing shot was on his last hole in his last golf match of his high school career! Way to go Owen!

Congratulations to all the newly elected Class Officers and School Council Reps for the 2020-2021 school year! You got this!

We may not be able to sing indoors yet but lucky for us we still have great recordings of our students click on the link under Arts and Music Section!

The little things go a long way. Our WHS Staff is so appreciative of the Halloween treats and "grab and go" snacks! Who knew that our teachers loved Boom Chicka Pop!?

A few friendly reminders:

- Please donate a box of tissues or 2 for our WHS classrooms. There is a donation box at the front door for students to drop them off as they walk into school.
- Please consider donating to the [Direct Appeal campaign](#). Teachers are submitting fantastic grant requests! See below for more details.
- Don't forget – there is NO school on Tuesday, November 3rd!

Who could our masked staffer be this week!? A wonderful lady with many talents! Alum, you may have had her as a teacher!

As always, please reach out with any ideas, questions or concerns! Stay safe and healthy!

Warmly,

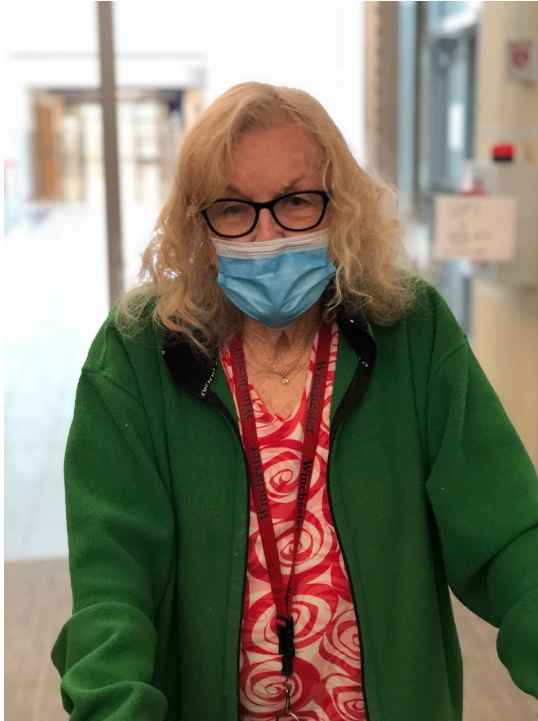

Mai Harrison & Abbie DiMatteo

Your WHS PFA Co-Presidents

NEWS AROUND TOWN

The WHS PFA does not specifically endorse events and organizations and shares information on events and activities that may be of interest to the WHS community as a courtesy for informational purposes.

Weeks of planning, lots of Zoom meetings and hours of hard work behind them, a group of Winchester students can be very proud of their efforts.

Project Grow Your Mind linked 4th graders across the district with a group of Winchester High School students. The WHS students provided zoom lessons about growing flowers from bulbs.

" The 4th grade students were 100% engaged and the WHS students did a great job with the presentation, activities and answering the many questions of our young learners." Leslie West, Muraco Principal

With their questions answered, elementary students were ready to dig in the dirt. High School mentors supervised as kids planted 1,000+ tulip bulbs.

"They were so into it. It was awesome." Caleb O'Connor, Student Innovation Grant Recipient.

With luck, spring 2021 will see a renewal of hope marked by the blooming of thousands of tulips. WHS students have already achieved the goal they set when they reached out to WFEE for support.

"We are seeking opportunities to

strengthen our community after being months apart due to the pandemic. We are striving to rebuild mentoring relationships between older and younger students."

Job well done!

DO YOU FEEL THIS WAY?

- I feel hopeless about the holidays
- Because of Covid-19 I can't see my family and my friends the way I used to -- I feel so alone
